

## Berea College Employee COVID Drive-Thru Testing Schedule

Good Afternoon,

We're happy to announce that we've partnered with CHI Saint Joseph Berea to provide **2 days of drive-through COVID testing on August 4<sup>th</sup> (8/4) and August 5<sup>th</sup> (8/5)**. **The drive-through will be located in the Blue Ridge Parking Lot.** You can enter from Estill street (as if you were going to the hospital) and you'll exit back on to Estill street on the gravel path behind the Blue Ridge Dorm. I have attached a map that shows the area.

For staff and faculty who are on campus or planning to be on campus this fall semester, we invite you to come get your test while following the schedule below. Make sure you bring your employee ID! It will help with the scheduling and resources needed to complete the testing. The test is at no cost to employees even if you do not have our medical insurance. Unfortunately, this will be limited to employees only.
