

Campus Clear App Instructions for Android/Google Play Store

1. Scan the QR code below with your camera or QR reader to install the Campus Clear app from Google Play Store

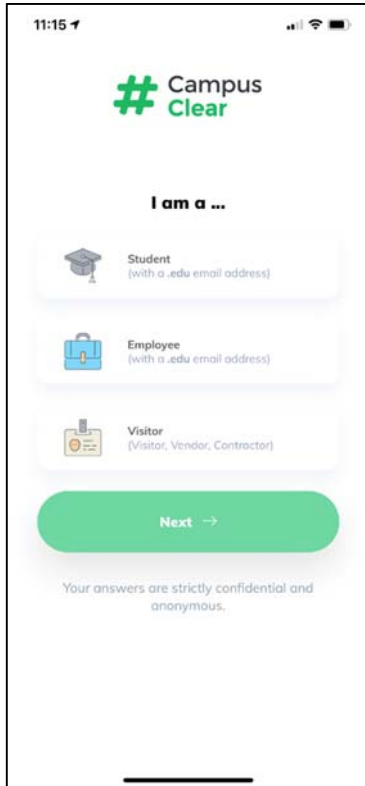

2. After installing the "Campus Clear" app from the Google Play Store, launch the app and progress through the screens below:

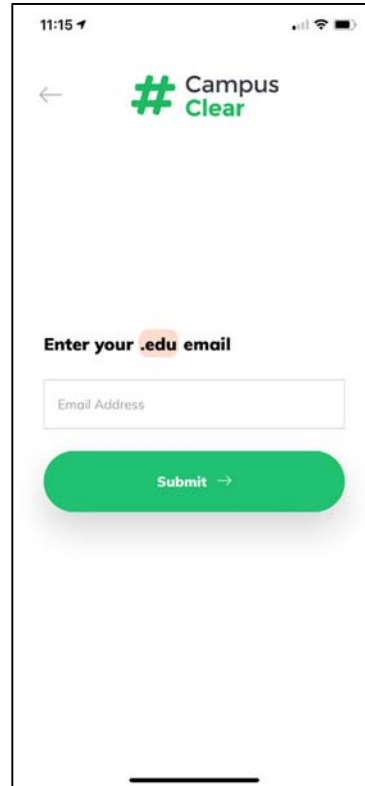

Campus Clear App Instructions for Android/Google Play Store

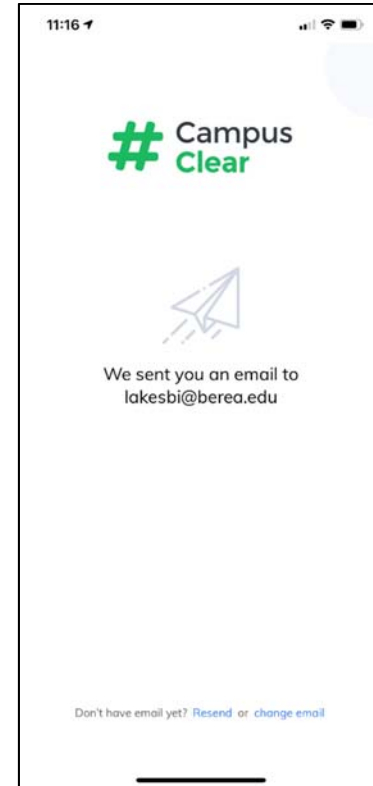

3. Select if you are a student, employee, or visitor

4. Enter your Berea College .edu email address

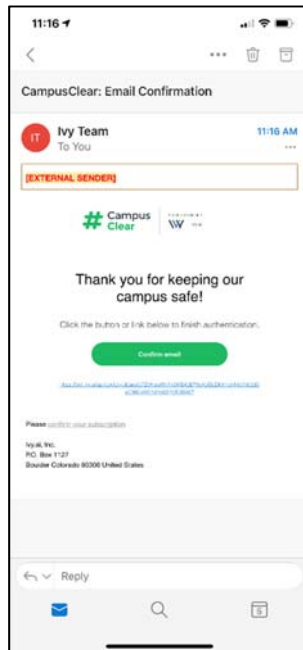

5. An email will be sent to the email address you provided.

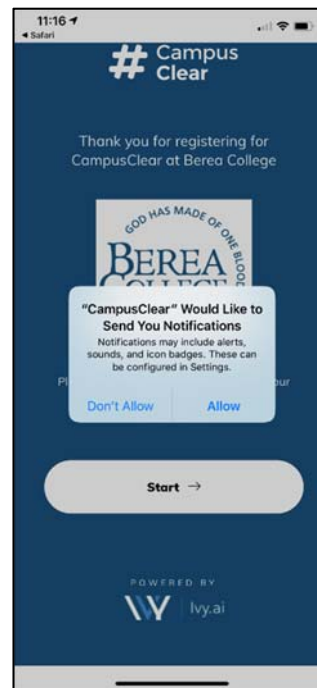

Campus Clear App Instructions for Android/Google Play Store

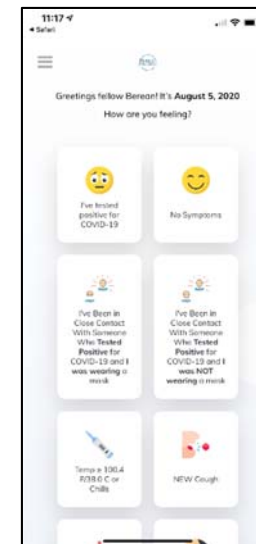

6. Once you receive the email (as seen below), click the “confirm email” button. You can then return to the Campus Clear app

7. Upon relaunching the app, it is recommended that you allow notifications, as seen below.

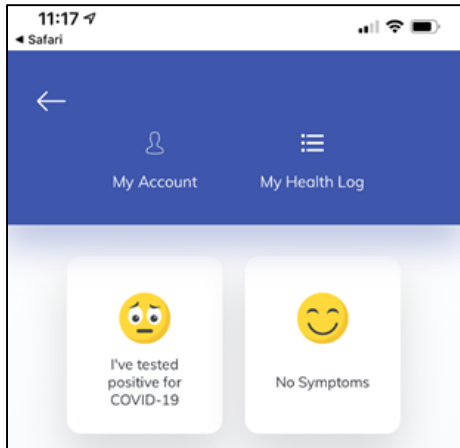

8. After clicking start, you will be brought to the main app page. Here you can provide the app with a daily update to your health and symptoms. You will receive a reminder notification M-F at 7:45 am.
