

# SUPERVISOR SERIES: 401

SENIOR  
•  
LEADERSHIP

## Course/Program Description

### Lean Business Processes Green Belt Certification

*University of Tennessee*

It is designed for knowledge workers at any level who need to identify process wastes and constraints and dramatically increase throughput.

*Supporting Workplace Expectations: Work as a Team, Serve Others, Encourage Plain and Sustainable Living*

### Leading Teamwork

*Berea College*

In our collegiate workplace, work as a team is not only an expectation based on historic institutional values, it is fundamental for getting our collaborative work accomplished. In this workshop we will 'play and work well' with others to explore how we can promote effective teamwork in the workplace. Methods will include a guided assessment of teamwork, group activities, and numerous discussions. Be prepared to think and share and have a lot of fun in the process.
