

IS&S Event Team

Priority Events

The priority events listed below have been reviewed and approved by the Administrative Committee (*Nov 6, 2018*). If a non-listed event conflicts with any of these activities, it could result in the non-listed event not receiving any support due to lack of available staff or equipment. However, outside vendors may be used with additional expenses. Please also note that any event occurs outside of regular business hours might result in additional staff overtime costs.
