

Approval Process for Funding Streams

*Federal Grants have a CFDA # and can be found on the Catalog of Federal Domestic Assistance (CFDA <https://beta.sam.gov/search?index=cfda>). State Grants can be found on the state government's website by searching the name of the grant in the search bar. When it is unknown if a grant is federal, state, pass-through or private – please contact the funder, who will be able to assist in determining the funding stream.
