GPRA Definition

GPRA 5.1 Number and percentage of Promise Neighborhood students who enroll in a two-year or four-year college or university after graduation

Definition. 5.1 Enrollment in a two-year or four-year college or university after high school graduation. High school graduates from the target high schools should be tracked for up to 16 months post their high school graduation to determine whether they enrolled in community colleges, associate's programs, or four-year colleges or universities.
