

Virtual Family Engagement

Virtual Services

○ Parenting for Success

- Parenting for Success targets young parents and their children. Activities are mailed to the family to complete together. The program meets twice a month via Zoom to give parents the opportunity to meet with other parents, discuss the family activity, and receive a parenting lesson.
 - Recruitment is open for this program in Barbourville and Corbin. Contact Andrea McKeehan at mckeehanan@berea.edu for referral information.

○ Family Groups

- Various family groups have been developed throughout the spring & summer to keep families engaged. Some include book clubs, targeted groups of families like 1st grade families at Central Elem., Academic Interventionist Case load families, and Family Advisory Councils.

○ Families & Schools Together (FAST)

- Families attend 8 weekly sessions, which provide quality family time and offer a time for parents and children to interact with each other. Families are asked to complete activities throughout the week and then meet together via Zoom to discuss the activities.

○ Family Nights

- Families have been offered one-time events virtually such as FAFSA & Scholarship information sessions and events such as a Lego STEM learning session.

○ Family Literacy Academy

- Families are invited to a series of 2-3 workshops. Families are introduced to virtual reading platforms and resources at their public library. Families also receive internet safety training. Upon completing the sessions, families receive a tablet for use at home.

○ Breakout EDU at home

- Families receive Breakout Kits mailed to their homes. They complete the activity and then meet via Zoom to discuss.

Parents who have received at least 0.5 hours of Family Engagement Services in Knox Promise Neighborhood
