

Dear Bereans,

Many thanks to those of you who were able to participate in the campus listening sessions with our colleagues from Academic Search, who are assisting in our search for Berea's next president. We value your input and insights in this early but important stage of the process.

As one more means of collecting your thoughts, Academic Search has created a confidential survey. If you would like to participate in the survey, please do so by Wednesday, March 22. This survey is anonymous, and your responses will be held in confidence. We hope you'll take time to participate.
