Dear Bereans,

With onset of the new academic year imminent, we write to provide an update on the search for the next President of Berea College. The recruitment process is well underway and our partners at Academic Search report a strong response. They have had conversations with many highly qualified prospective candidates and are pleased with the diverse experience and backgrounds of those who have expressed interest in the position. They also note that candidates have incredible respect for Berea and are excited about the opportunity to join our mission-centered community.

Many of you have taken time to recommend people within your personal networks, and we are grateful for your interest and engagement in the search. You may continue to send suggestions to BereaPresident@academicsearch.org. The position is open until filled, but only applications received by September 5, 2022, can be assured full consideration.

The Presidential Search Committee will begin reviewing applications and start narrowing the field of candidates soon after the deadline. We will continue to update you at significant points as the search process unfolds in the fall.

Thank you for your continued interest and support.

Sincerely,

Charlotte Beason '70
