

Final examination periods are 8:30 to 10:45 am; 11:45 to 2:00 pm; 3:00 to 5:15 pm. The scheduled meeting time for the course (day and time) determines the final examination hour and day.

These exam times are for courses that are at least one (1) credit. Generally courses less than one (1) credit complete final exams by the last day of classes in the term and before the exam period begins, but faculty have discretion to determine the conclusion of the course as long as it does not interfere with the formal exam schedule below.
