The William D. Ford Federal Direct Loan Program

Federal Direct Loans are low-interest loans for students and parents to help pay the cost of a student's education. Loans may not exceed the student's cost of attendance. You can view Berea College's cost of attendance at <http://www.berea.edu/student-financial-aid/cost-of-attendance/>.

Subsidized Direct Loans

Subsidized Loans are for students with demonstrated financial need. Interest is paid by the Federal Government while the student is enrolled in school at least half-time.

Unsubsidized Loans

Unsubsidized Loans are not need based loans and interest is charged while the student is in school. Unsubsidized loans may be used to replace the Expected Family Contribution (EFC).

Parent PLUS Loans

PLUS Loans are unsubsidized loans for parents of dependent students to cover educational expenses. Borrowers are subject to a credit check.

Applying for Federal Direct Loans

- 1) Complete Direct Federal Loan Entrance Counseling and sign the Master Promissory Note (MPN) at <https://studentloans.gov>. You will need to use your Federal Student Aid ID to complete this step. If you have not created one, you will be prompted to at studentloans.gov.
- 2) Complete the Application for Additional Financial Assistance. The Application can be found here <https://www.berea.edu/student-financial-aid/forms/>.
